Prefix: A stud prefix when registered is a unique name, which will precede any name you call your stud animals. This name will be checked for uniqueness with the National Stud Cattle prefix Register and must be a minimum of 4 characters and cannot exceed 16 characters. Members often use their property name but this may not be acceptable due to the name already being used by another breeder. This name will become recognized by your buyers and so is used as an effective marketing tool. Please choose wisely.

Please register as my/or stud prefix: Choice 1..... Choice 2.....

Tattoo: A unique set of 3 characters applied to the left ear of the animal as a herd identifier. E.g., Z5C, DDG
